CRIPPLER CHILDREN

NEED ATTENTION

Hospital Will Probably Be Founded For Benefit of Little Sufferers.

NEW YORK, Nov. 21.—A selection of crippled children in preparation for the visit of Dr. Adolph Lorenz has disclosed the fact that there probably are in New York City more than 25,000 children suffering from hip disease which are likely to make them cripples for life unless they are properly treated. According to the doctors who have been selecting candidates for the clinic to be held by the Vienna surgeon, the majority of these children need hospital treatment, an dthis is impossible to give, as there is no hospital where they can be received. The same ratio of cases is said to exist through the state and a movement has been inaugurated for the establishment of a hospital to which the legislature will be asked to contribute \$100,000.

WILL BE PERMANENT.

Change in Conduct of Democratic Congressional Committee.

WASHINGTON, Nov. 21.—The democratic congressional committee is to be made a permanent institution, members of the committee believing the natural life of the campaign for congress is not long enough in which to educate the people to democratic doctrines and arouse their enthusiasm to an extent which would result in success.

BEQUEST TO CATHOLIC FAITH

The bulk of the estate is devised to the testator's wife and four daughters.

INDICTMENTS DISMISSED

WACO, Tex., Nov. 21.—Indictments which have been pending in the criminal court for many years against J. D. Rockefeller, Harry H. Flagler and

other members of the Standard Oil company charging them with violations of the anti-trust law of Texas were today dismissed. All efforts to serve warrants have been futile through the refusal of the governors of New York and Florida to honor requisitions.

OUR GUNBOATS BUILT IN JAPAN

The United States government has ordered six gunboats to be built in Japan for coast protection in the Philippines. The receipt of an order of this kind is the best evidence of the wonderful progress made by the Japanese in the last half century. The best evidence of the progress made by Hostetler's Stomach Bitters during that time is found in the unequalled record of cures back of it. Hundreds of people including many prominent physicians, have voluntarily testified that the bitters cured them of stomach, liver and kidney complaints when other medicines had failed. You will therefore make no mistake in trying it for heartburn, nausea, headache, indigestion, dyspepsia, constipation or biliousness. One bottle will convince you of its value.

MISS FAY LEE,

President of the Shakespearian Club, Kansas City.

"Your booklet came to my home like a message of health when I had suffered with headache, backache and bearing-down pains. I was weak, nervous and hysterical and had not consulted any doctor, thinking it would pass away in time, but instead I found that the pains increased and were more frequent. I decided to try Wine of Cardui and in a short time was much improved. It seemed to act like a charm. I kept up the treatment and the result was most satisfactory. Words fail to express my gratitude for the suffering that is now saved me. I am in fine health, physically and mentally. I can only say 'thank you', but there is much more in my heart for you."

BEARING-DOWN pains are the worst that women know. If you are suffering from this trouble you need not be uncertain about it. The pains in the abdomen and back that feel as if heavy weights were pulling down on the nerves of the stomach are "bearing-down pains". They may not be particularly severe at present but they are growing worse. That headache which nearly drives you distracted now is caused by the terrible

nervous tension. The nerves soon begin to give way under the strain. You perhaps jump at any unusual disturbance, or laugh or weep, hysterically, at no apparent cause. That is what Miss Fay Lee, 603 1/2 North Seventh Street, Kansas City, Kansas, was coming to when she rescued herself by taking Wine of Cardui. The Wine made her a strong, healthy woman again, as it has made a million other women strong and healthy. By inducing regular menstruation the entire system is relieved of the terrible wasting drains. The ligaments which hold the womb in place are strengthened by a healthy flow and that organ is returned to its normal position. Returning health is the result. This is what Wine of Cardui has done for thousands of the best women in America.

If you need advice write The Ladies' Advisory Department, The Chattanooga Medicine Company, Chattanooga, Tenn., describing all your symptoms freely, and a letter of advice will be sent you. Secure a \$1.00 bottle of Wine of Cardui from your druggist to-day.

A million suffering women have found relief in Wine of Cardui.

TRAIN ROBBERS BY THE DOZEN WORK TOGETHER

Men Were All Masked and Succeeded in Escaping With An Unknown Quantity of Booty.

DAVENPORT, Ia., Nov. 21.—The westbound passenger and express train on the Rock Island was held up by 12 masked robbers soon after midnight three miles west of Davenport. The robbers uncoupled the express car and ran it two miles further west to the Gale siding where the safe was blown open with dynamite.

The train which was robbed was the fast train that runs through to Fort Worth via St. Joseph and Kansas City.

Ten men of the local police department have hurried to the scene. It is not known how much booty the robbers secured. The thieves were successful in removing the contents of the safe from the express car. No person was injured. The train usually carried a large amount of money.
